REQUEST FOR RECONSIDERATION OF
PETITION UNDER 37 C.F.R. 1.47(a)

Hon. Commissioner for Patents
Alexandria, VA 22313-1450

Sir:

Counsel has received a *Decision Refusing Status under 37 C.F.R. 1.47(a)*, dated August 13, 2004, because Counsel's petition submitted on March 4, 2004 lacked an affidavit fully describing the facts relied upon to establish that a diligent effort was made to locate the non-signing inventors.

Enclosed please find a declaration signed Mr. Alvin Rietzler who is handling the file in Germany for Fujitsu Siemens Computers, LLC, the applicant in the above-mentioned application, with regard to further efforts taken by Mr. Rietzler to locate the non-signing inventors.

Also enclosed is a fax copy of the *Combined Declaration and Power of Attorney in Original Application* signed by Mr. Jason Lewis and Paul Kayfes, for whom 1.47a status was previously sought, and is therefore no longer desired for said inventors. **Counsel has been**

Application No. 10/607,517
Request for Reconsideration of
Petition under 37 C.F.R. 1.47(a), dated 10/13/04

informed that the original of the declaration will follow with the changes also initialed by Mr. Paul Kayfes. Counsel will submit the original of the declaration immediately upon receipt.

On information and belief, the names and addresses of the non-signing inventors are:

- 1) Charles Seeley, 17396 N.W. Brickstone Ct., Beaverton, Oregon 97006, USA
- 2) Stacey Lloyd, 1898 Estate Drive, Hillsboro, Oregon, USA

It is herewith requested that 1.47a status be granted for the above-identified application in view of the missing signatures of the inventors Stacey Lloyd and Charles Seeley.

Respectfully submitted,

Laurence A. Greenberg (29,308)

Title : Error Reporting Network in Multiprocessor Computer

DECLARATION ACCOMPANYING REQUEST FOR RECONSIDERATION OF
PETITION UNDER 37 C.F.R. 1.47(a)

In a further effort to locate the non-signing inventors, I, the undersigned, herewith state that:

I have conducted a search for additional phone numbers for Mr. Stacey Lloyd and found three phone numbers, two of which did not belong to the correct Mr. Lloyd. The third number was answered by an answering machine and I have not yet received an answer up to the present date;

I have been given two numbers for Mr. Charles Seeley in Oregon by an International Telephone Information Service. However, neither number belonged to the correct Mr. Seeley.

I have first-hand knowledge with regard to the aforementioned facts, and I herewith confirm that neither Mr. Stacey Lloyd nor Mr. Charles Seeley have returned the signed papers to us.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
